# OUR UNIQUENESS

At the core of LEAD-RITE'S operations lies a consumer-centric philosophy that places customers and their unique interests at the forefront. We recognize that each client's needs are distinct, shaped by their preferences, capabilities, and business objectives.

To meet these dynamic demands, we continually refine our processes and innovate relentlessly. Our strategy is simple yet effective: we listen intently to our clients – who are our valued business partners, understand their specific requirements, and craft tailor-made solutions that reflect their individuality. Whether it is construction infrastructure, managing oil fields, supplying building materials, or developing properties to mention a few, our ultimate goal is delivering the best value every time.

LEAD-RITE INT'L LTD has cultivated the expertise and capacity to serve a wide range of industries and individuals. From designing to constructing buildings, roads, bridges, and power plants to overseeing Architectural and Urban Planning Projects, we provide end-to-end solutions. Our capabilities extend to general contracting, procurement, farming and trading.

Our strength lies in its people. we uphold a rigorous recruitment policy to attract and retain the best talents. comprising seasoned professionals with proven track records of success.

# WHO WE ARE

LEAD-RITE INT'L LTD is a Nigerian company incorporated in 2020 by the Corporate Affairs Commission (CAC) and incorporated under the Companies Act 2006 as a private company in England and Wales. We provide engineering, construction services to power Turnkey Projects, Residential Projects, Commercial Projects, and Government Parastatals.

We want to be known for being the best in every business area. We care about sustainability and will never compromise our standards. Our goal is always to deliver quality projects that exceed our client's expectations. We are highly dedicated to delivering high-quality projects for Government Parastatals, Corporate Organizations, and Individuals.

Our area of expertise includes but is not limited to building production management, civil and structural engineering, general supplies, importation and exportation, turnkey project, remodeling, project and facility management, transport, and agro-allied services. We take pride in providing the best expertise and to guarantee durable, cost-effective, and successful projects. We work closely with each of our clients to accurately interpret their project dreams and visions through architectural designs and translate the same to the desired reality through construction solutions to meet their needs.

We also prioritize communicating with our clients throughout the construction process by keeping them updated on the progress and ensuring that the projects are delivered on schedule and within their budget.

# ENVIRONMENTAL POLICY

## Our Corporate Environmental Policy

### Our Commitment

Sustainability and adherence to all laws are priorities for **LEAD-RITE INT'L LTD**. Preserving and safeguarding the environment is important to us. We meticulously design robust implementation policies with strong control and outstanding operations to achieve these goals.

Our approach to environmental management combines operational excellence, environmental leadership, and accountability and compliance.

In particular, we pursue:

- We talk about ways to improve environmental issues strategically.
- We promote a culture of respect, acceptance and understanding of diversity including disability.
- We abide with environmental protection laws both domestically and internationally.
- To guarantee ongoing adherence and advancements, we periodically establish environmental goals.
- By posting printed materials throughout our workspace and holding safety meetings, we encourage our staff members to be environmentally conscious and to take personal responsibility for their actions.
- We give employees the necessary training and empowerment to carry out environmental jobs effectively.
- We create an inclusive environment that removes barrier and promote equal opportunities for individuals with disability

### Accountability

We follow economically reasonable and environmentally protective procedures in the absence explicit environmental laws or regulations.

In the absence of explicit environmental laws or regulations, we engage stakeholders to understand and/or address environmental issues and concerns, such as impacts, renewables, siting, etc.

We communicate environmental performance to the appropriate regulatory agency.

**LEAD-RITE INT'L LTD** shall design evaluation procedures for all processes that fall under this policy to ensure that these processes are comply. Evaluation procedures shall be addressed as required. Each employee of **LEAD-RITE INT'L LTD** is charged with exercising his or her responsibility on behalf of **LEAD-RITE INT'L LTD** to ensure that the intention of this policy statement is diligently carried out.
